Make 1" hem on 14" ends of larger piece
 Make 1" hem on one 14" side of pocket piece.

Fold body in half, wrong sides together and mark fold.
 Measure up 3" from fold and mark. Unfold and lay flat.

Place raw bottom edge of pocket, right side down, on this line and sew across to attach, leaving ½" seam allowance. Fold up and topstitch across bottom.
 Pin or sew sides in place. Sew double row of stitches down center of pocket of small bag, or divide pocket of large bag into three equal sections with double rows of stitches.

Fold handles in half the long way, then fold raw edges to center. Press. Stitch both edges and down the middle. This will give you a 1-1/2" wide handle.

Measure in from side seam of bag at top 6" (large bag) or 2" (small bag) and attach handles, **both ends** of one handle on **SAME SIDE** of bag. Fold under ¼" and use X-in-the-box method to attach handles.

Fold body right sides together and sew side seams, catching sides of pocket, and inserting LABEL inside, in side seam at top.. Square bottom corners. Turn and press.
