

## WHEELCHAIR BAGS

FABRIC-Durable, serviceable heavy

Cotton, denim, upholstery,

TIES-- Use either 1" wide twill tape. 1" wide bias tape (sewn along open edges) or light weight fabric sewn as indicated in the directions.

Finished size     20"wide x 18" long (deep)

Pocket             20"wide x 10" long (deep)

Ties (handles)     1" wide x 14" long (cut 4)

Cut 21"wide x 40" long; pocket 21" w x 11" long,

TIES 4" x 14" cut 4 (if using fabric, the ties have to be flexible enough to tie. Heavy fabric is too hard to tie.

Sew 1" hem on 21" ends of larger piece, Sew 1" hem on one 21" side of pocket piece.

Fold body in half, wrong sides together. Measure up 3" from fold and mark, With directional fabric, make sure this side is right side up. Unfold and lay flat. Place raw bottom edge of pocket, right side down, on this line and sew across to attach, using ½ in. seam allowance. Fold up and topstitch across bottom. Sew double row of stitches down center of pocket.

For Ties from LIGHT WEIGHT fabric, cut 4" wide and 14" long. Fold ties in half the long way, then fold raw edges to center. Stitch both edges.

Measure in 1" from each side seam of bag at top and attach one end of each tie. Repeat for all 4 ties. Use X-in-the-box method.

Fold body right sides together and sew side seams, catching LABEL in side seam.

Box bottom of the bag 1 1/2" across corner.

Press bag if needed.
