## COMMUNITY SERVICE SEMI-ANNUAL REPORT

Sewing items for the community is an activity enjoyed by many ASG members and chapters. Community service is not required of any ASG chapter. However, reporting the work your chapter does is helpful to your chapter and the whole organization in successfully obtaining donations, grants, and positive publicity for ASG.

### INSTRUCTIONS:

The Chapter President or Community Service Chair should provide the following information for the previous six months. Return this form to National Headquarters by January 15 and July 15 of each year. The number of items and quantity of hours *can be approximate*. If your chapter has not done any community service, it would still be helpful to let us know that. **NOTE:** The form has been set up as a Word™ table. If you wish to fill out the form electronically, download it from the ASG Web site. Use the TAB key to move through the form. To add additional lines, hit the TAB key at the end of the last row.
